Can you read a basic map? Compete against other teams in a simple orienteering challenge to complete fun outdoor tasks at eight hidden locations in the woodland.

Prizes will be awarded.

All proceeds will be donated to help local people via the four charities selected by the Lord Mayor.

The day starts with a briefing at 10am, with lunch at 12.30pm. We finish with the planting of three large trees, before tea and prize giving by the Lord Mayor at 4pm.

The **Lord Mayor of Birmingham's Charity** is an appeal dedicated to the People of Birmingham. Each year the Lord Mayor chooses a selection of local Charities - this year he is supporting: Fisher House, Birmingham Trees for Life, The MS Society Birmingham, and Cancer Research Birmingham. The money raised in Birmingham stays in Birmingham and helps to support our beautiful City.

**Birmingham Trees for Life** (BTFL) organises tree planting events every winter, involving school children and local residents in parks and public open spaces across the city. BTFL works in partnership with the City Council Parks Managers, Rangers and Friends of Parks.

**We thank the Parks Department, and particularly the Rangers of the Lickey Hills Country Park for their help in running this Woodland Challenge.**

*Participants are advised to wear old outdoor clothes and wellingtons or stout waterproof boots.*
